

H.Y. Engineering Ltd. Announcement

H.Y. Engineering Ltd. is pleased to welcome the addition of Jay Lim (VP Finance) and Derek Rempel, P.Eng., into the Partnership group of the Firm. This growth step strengthens our role as a leading civil engineering consulting firm within the civil land development and municipal sectors.

Jay Lim brings more than 10 years of experience in financial and executive leadership through business transformations, cost reduction initiatives and systems implementations and upgrades. Jay has also been involved in tax planning, the execution of strategic mergers and acquisitions and is specialized in providing accounting, assurance, tax and business advisory services to privately-held corporations and not-for-profit organizations. Jay holds a Bachelor of Commerce degree from University of Victoria and he is a member of the Chartered Professional Accountants of British Columbia.

Derek Rempel has extensive experience in design and client liaison with both private and public sector clients. His 11 years of accumulated knowledge of local land

development approval processes, layout and servicing designs and construction processes will help lead our civil design team to the future with new and creative design solutions. Derek holds a degree in Civil Engineering from the University of British Columbia and is registered as a Professional Engineer with Engineers and Geoscientists British Columbia.

Established in 1981, H.Y. Engineering has grown steadily to meet the demands of the industry and our increasing client base, in the public and private sectors, providing urban planning, engineering and surveying services for land development and civil engineering projects. Our company objective is to provide solid planning, engineering and land surveying solutions in a timely and cost-effective manner. Our experience in the design and construction industry includes a range of projects from 2-lot subdivisions to large scale urban developments. We have earned the position as a leading civil design consultant in the Lower Mainland area, and look forward to having Jay and Derek on our leadership team to support our continued growth.
